Thank you to everyone that attended our Valentine's Dinner on Friday, February 7th. We had a great turnout! In fact, Latin King Restaurant had to set up another table for us. They were very accommodating and we all had great meals. It was a great time sharing wedding photos and stories of "how we first met." In fact we had so much fun that we didn't capture any photos from the event itself! We may have found our favorite annual event.

♥ Happy Valentine's Day! ♥
